Hello! My name is Erica. I have lived in Edmonds all my life and I love the PNW. I met my husband, Marcus, last century and we have two wonderful kids, Josiah (12) and Jasmine (11). We also have a dog named Maggie. In my free time, I love spending time with family and friends, running, practicing yoga, having game nights, reading, and traveling. There are so many amazing places to explore in this world!

I received a Bachelor of Arts, in Educational Studies in Elementary Education from Western Governors University. I started teaching in Bloom Early Education's BEE Primary program as the assistant teacher for 1st – 3rd Grade.

I am excited to be moving with my students to the new campus: The Bloom Academy and meet our new students! I teach to make a difference by creating a positive, engaging environment where students can build confidence, develop lifelong learning skills, and strengthen their math and reading abilities. I'm eager to inspire curiosity, foster a love of learning, and create a supportive and FUN classroom where students can thrive!
