

MC Horrigan

Teacher | 3rd – 5th Grade

mch@thebloomacademywa.org

Greetings!

My name is Mary Clara Horrigan, Ms. MC.

I love the outdoors, travel, cooking, meeting new people, and being a lifelong learner. I also have a great sense of humor and love to laugh!

With a rich experience of thirty years in education, I have taught grades 3-8, specializing in developing interdisciplinary curricula that blend literacy, social studies, mathematics, and science, creating units of Project Based Learning activities that students engage in discussion, research, and multiple levels of creativity. My commitment as a teacher is to foster a fun, safe, and inclusive learning environment for all students. I firmly believe in the potential of every child to succeed and see it as our responsibility as educators to help them reach their full potential.

My ultimate goal is to inspire and empower my students to inquire and become lifelong learners, problem solvers, and critical thinkers.
